Disclosure Statement

F-15 FMS Technical Coordination Program

“This information is furnished on the condition that it will not be released to another national without specific authority of the Department of the Air Force of the United States, that it will be used for military purposes only, that individual or corporate rights originating in the information, whether patented or not, will be respected, that the recipient will report promptly to the United States any known or suspected compromise, and that the information will be provided substantially the same degree of security afforded it by the Department of Defense of the United States. Also, regardless of any other markings on the document, it will not be downgraded or declassified without written approval of the originating US Agency, (AFLCMC/WAQIB), (320 Richard Ray Blvd, Robins AFB GA 31098-1820).”

“This briefing, presentation, or document is for information only. No US Government commitment to sell, loan, lease, co-develop or co-produce defense articles or provide defense services is implied or intended.”

“This information is furnished on the condition that it will be given substantially the same degree of security protection given to it by the United States and will not be released to another nation without USAF authorization.” (DAFMAN 16-201 AFMC SUP, Para 5.5.2.3.1)

CUI

Goal

F-15 FMS Technical Coordination Program

The goal of the F-15 World Wide Review is to provide an opportunity for all our FMS Partners, supporting Vendors, TCP staff, Department of Defense employees, and other U.S. Government organizations to discuss issues of common interest, obtain and exchange technical and logistical information needed for sustainment. Also, to receive information on new and/or improved technologies important to the worldwide operation of the F-15 Fleet.

CUI
