- DCMA Overview
- Surveillance Strategy – Protecting your investment/contract
- DD250 Process – Final purchase
- Closing/Summary

## Mission

We are the independent eyes and ears of Department of Defense and its partners, enhancing warfighter lethality by ensuring timely delivery of quality products, and providing relevant acquisition insight supporting affordability and readiness.

## Vision

A team of trusted professionals delivering value to our Warfighters throughout the acquisition lifecycle.

**Marine Corps Lt. Gen.  
Gregory L. Masiello**  
*Director, DCMA*

**Sonya Ebright**  
*Deputy Director, DCMA*

**Cory Rosenberger**  
*Chief of Staff*

**Air Force Chief Master Sgt.  
Babatunji Akande**  
*DCMA Sr. Enlisted Advisor*

## Values

**Integrity** - Committed to the highest standards of ethical and moral behavior at all times.

**Service** - Working for the benefit of our nation and putting professional responsibilities before self-interests.

**Excellence** - Committed to exceptional performance in everything we do.

- We use a standardized Government Contract Quality Assurance Program
- QALI (Quality Assurance Letter of Instruction)
- This quality system spans ALL DCMA programs to develop a surveillance plan to address highest risk
- The result of 50+ years of USG contract oversight/management

## Government Contract Quality Assurance Program

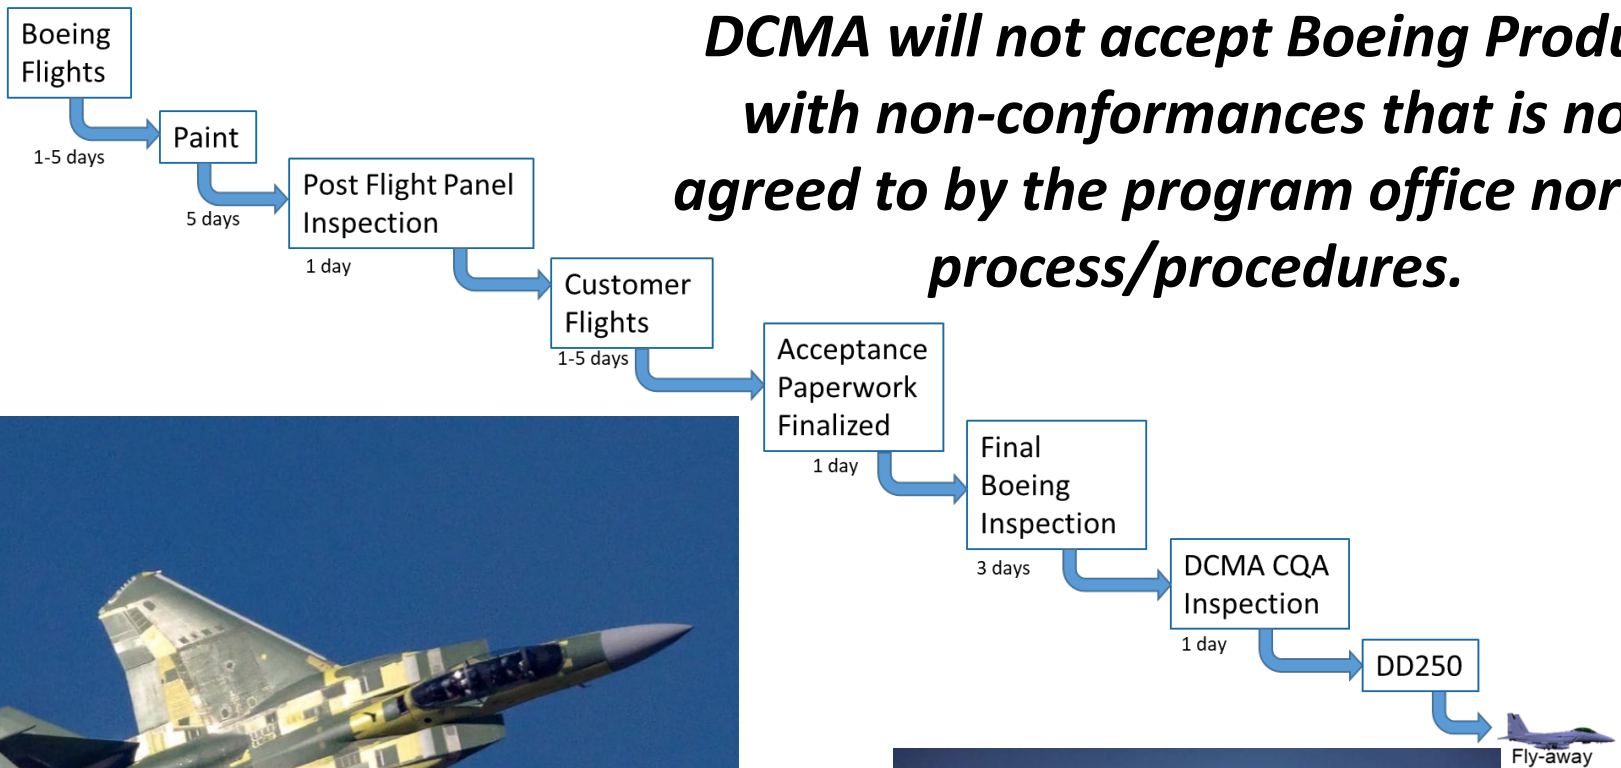

Supplier Performance/Surveillance  
Corrective Action Requests (CAR)  
Safety of Flight (SOF)  
Repeat Findings  
Internal/External Audit Results  
Disposition of Nonconforming  
Product  
Aircraft Incident and Damage  
Report (AIDR)

***DCMA will not accept Boeing Product with non-conformances that is not agreed to by the program office normal process/procedures.***

- Our surveillance is constantly evolving to meet USG/USAF and FMS needs, requirements, desires
- We are bound by US Law, Regulations, the Contract
- Constant communication on aircraft status with USAF/SPO team throughout the build of aircraft
  - FMS liaison is and always will be the SPO
- The DCMA Director is engaged with Boeing leadership to ensure the agency's contract administration work is supported at all levels.
- We are always learning, improving...More work to be done!
